When the return is made for a fiscal year or other period different from the calendar year, the return shall be filed on or before the fifteenth (15<sup>th</sup>) day of the fourth (4<sup>th</sup>) month following the end of such fiscal year or period. The Tax Commissioner is hereby authorized to provide by regulation that the return of an employer or employers, showing the amount of Municipal tax deducted by said employer or employers from the salaries, wages, commissions or other compensation of an employee, and paid by him or them to the Tax Commissioner may be accepted as the return required of any employee whose sole income, subject to tax under this Tax Code, is such qualifying wage, commissions, other compensation, and other taxable income.

(b) On or before April 15<sup>th</sup> of each year, every resident subject to the provisions of Section 860.03 shall, except hereinafter provided, make and file with the Tax Commissioner a Municipal tax return on a form prescribed by and acceptable to the Tax Commissioner, whether or not a tax is due. When the return is made for a fiscal year or other period different from the calendar year, the return shall be filed on or before the fifteenth (15<sup>th</sup>) day of the fourth (4<sup>th</sup>) month following the end of such fiscal year or period. The Tax Commissioner is hereby authorized to provide by regulation that the return of an employer or employers, showing the amount of Municipal tax deducted by said employer or employers from the qualifying wages, commissions, other compensation, and other taxable income of a nonresident employee, and paid by him or them to the Tax Commissioner may be accepted as the return required of a nonresident employee whose sole income, subject to tax under this Tax Code, is such qualifying wages, commissions, other compensation, and other taxable income.

(c) A husband and wife may file either separate returns or a joint return for municipal purposes, even though one of the spouses has neither taxable income nor deductions included on the Municipal return regardless of whether their federal and state returns were filed separately or jointly. If a joint city return is made, the tax shall be computed on the aggregate taxable income and the liability with respect to the tax shall be joint and several.

(d) The return shall be filed with the Tax Commissioner on a form or forms furnished by or obtainable upon request from the Tax Commissioner; or on a generic form, if the generic form, when completed and filed, contains all of the information required to be submitted with the Municipality's prescribed return and, if the taxpayer or return preparer filing the generic form otherwise complies with the Tax Code governing the filing of returns.

  - D. Has failed to file any required income tax return, report, or other related document for a prior tax period.

No penalty shall be assessed in those cases in which the return is filed and the final tax paid within the extension period provided all other filing and payment requirements of the Tax Code have been met. Any extension by the Tax Commissioner shall be granted upon the condition that declaration filing and payment requirements have been fulfilled; however, if, upon further examination it then becomes evident that declaration filing and payment requirements have not been fulfilled, penalty and interest may be assessed in full and in the same manner as though no extension had been granted.

- (2) Subject to the limitations contained in Section 860.15 of this Tax Code, any taxpayer who has overpaid the amount of tax to which the Municipality is entitled under the provisions of this Tax Code may have such overpayment applied against any subsequent liability hereunder or, at his election indicated on the return, such overpayment (or part thereof) shall be refunded, provided that no additional taxes or refunds of less than one dollar (\$1) shall be collected or refunded.

(h) Amended Returns.

- (1) Where necessary, an amended return shall be filed in order to report additional income and pay any additional tax due, or claim a refund of tax overpaid, subject to the requirements and/or limitations contained in Section 860.03. The Tax Commissioner shall provide by regulation the format in which such amended return shall be filed. A taxpayer may not change the method of accounting or apportionment of net profits after the due date for filing the original return.
- (2) Within three (3) months from the final determination of any federal tax liability affecting the taxpayer's Municipal tax liability, such taxpayer shall make and file an amended Municipal return showing income subject to the Municipal tax based upon such final determination of federal tax liability and pay any additional tax shown due thereon or make claim for refund of any overpayment.

(i) Information returns, schedules and statements required to support tax returns which are incomplete without such information shall be filed within the time limits set forth for the filing of the tax returns and the failure to file such information returns, schedules and statements shall be a violation of this Tax Code. Provided, however, that the taxpayer shall have ten (10) days after notification by the Tax Commissioner, or his authorized representative, to file the items required by this paragraph. (Ord. 55-03. (b) An employer is not required to make any withholding with respect to an individual's disqualifying disposition of an incentive stock option if, at the time of the disqualifying disposition, the individual is not an employee of the corporation with respect to whose stock the option has been issued.

- (c) (1) An employee is not relieved from liability for a tax by the failure of the employer to withhold the tax as required by a municipal corporation or by the employer's exemption from the requirement to withhold the tax.
- (2) The failure of an employer to remit to the municipal corporation the tax withheld relieves the employee from liability for that tax unless the employee colluded with the employer in connection with the failure to remit the tax withheld.

(d) So long as the taxes withheld by an employer for the Municipality during the measurement period are less than \$1,000 per month, payments may be made quarterly on or before the last day of the month following the end of each quarter, subject to the approval of the Tax Commissioner. The Tax Commissioner may revoke the approval of quarterly filing and payments whenever the Tax Commissioner has reason to believe that the conditions for granting such authorization have changed, were judged incorrectly, were not met, or when it is in the best interest of the Municipality to do so. Notice of withdrawal shall be made in writing and, in such case; the employer must begin to file in accordance with this section.

(e) Employer Considered as Trustee. Each employer in collecting such tax shall be deemed to hold the same, until payment is made by such employer to the Municipality, as a trustee for the benefit of the Municipality, and any such tax collected by such employer from his employees shall, until the same is paid to the Municipality, be deemed a trust fund in the hands of such employer. Each employer shall be liable for the payment of the tax required to be deducted and withheld whether or not such tax, in fact, has been withheld.

(f) Any person who is required to withhold tax from qualifying wages shall pay all such tax to the Municipality in accordance with the provisions of this section. In the event taxes withheld from the qualifying wages of employees are not paid to the Municipality in accordance with the provisions of this section, all officers, members, managers, employees, and trustees having control or supervision of or charged with the responsibility of filing the return and making payment are jointly and severally personally liable for the tax not returned or paid to the Municipality as well as any related interest and penalties, and are also liable under the provisions of Section 860.12 hereof. The dissolution, termination, or bankruptcy of a corporation, limited liability company, or business trust does not discharge an officer's, member's, manager's, employee's, or trustee's liability for a failure of the corporation, limited liability company, or business trust to file returns or pay said taxes.

(g) Withholding Return; List of Employees. Each employer shall file a withholding tax reconciliation showing the sum total of all compensation paid all employees, the portion of which, (if any) was not subject to withholding along with an explanation for same, and the portion of which was subject to withholding, together with the amount of such withholdings remitted. Such return shall include information concerning each employee from whom the Municipal tax was withheld, showing the name, address, zip code and social security number of each such employee, the total amount of compensation paid during the year and the amount of Municipal tax withheld. If the total tax withheld from any employee-included tax withheld and remitted to another municipality, the amount of same shall be separately shown on the return of information to the Municipality concerning each employee. The withholding tax reconciliation shall be filed by each employer on or before February 28 following the end of such calendar year.

(h) In addition to the wage reporting requirements of this section, any person required by the Internal Revenue Service to report on Form 1099-Misc. payments to individuals not treated, as employees for services performed shall also report such payments to the Municipality when the services were performed in the Municipality. The information may be submitted on a listing, and shall include the name, address and social security number (or federal identification number), and the amount of the payments made. Federal form(s) 1099 may be submitted in lieu of such listing. The information shall be filed annually on or before February 28 following the end of such calendar year.

(i) Domestic Servants. No person shall be required to withhold the tax on the qualifying wages, commissions, other compensation, and other taxable income paid domestic servants employed exclusively in or about such person's residence. However, such domestic servants shall be responsible for filing and paying their own returns and taxes.

- (2) The original declaration (or any subsequent amendment thereof) may be increased or decreased on or before any subsequent quarterly payment date as provided for herein.
- (3) For taxpayers who are individuals, such declaration of estimated tax to be paid the Municipality shall be accompanied by a payment of at least twenty-two and one-half percent (22.5%) of the estimated annual tax and at least a similar amount shall be paid on or before the last day of the seventh, tenth and thirteenth months after the beginning of the taxable year.
- (4) For taxpayers that are not individuals, such declaration of estimated tax to be paid the Municipality shall be accompanied by a payment of at least twenty-two and one-half percent (22.5%) of the estimated annual tax and at least a similar amount shall be paid on or before the fifteenth (15<sup>th</sup>) day of the sixth, ninth and twelfth months after the beginning of the taxable year.
